“ I believe I went to grade school at pleasant valley grade school with him in 70 or 71. I am pretty sure this is him. I haven't seen him since we graduated from Pleasant Valley. But I do know one thing. This young man had the personality and the witt. He was hilarious. Had our class cracking up laughing. He was a true gentleman at all time. A really really nice guy. I am saddened to hear of his passing. I know he loved his family. To all the family members he left behind God Bless you all. He was a wonderful loving and caring guy. His gift to make others laugh was priceless. Rest in Peace James. God Bless you.

“ To the Hightower family I just want to send my love to all you during this sad occasion and praying that God will give you all the strength you need to get thru this. I'm sorry I couldn't make it due to the weather but my heart is sad and I'll miss my nephew and all the jokes he use to tell and always kept you laughing. So hold your head up and just know he does not have to suffer anymore and that he loved his family but in time God will heal your broken hearts and just meditate on the fun times you to share with him.
God Bless all of you and I love each and everyone of you and I feel your pain because I've been there so many times. God will comfort us and we will never ever forget him and be there for each other.

Love and Peace
