“ Dear family of Annette Moss,

*Up until I retired from Jamieson School 4 years ago, Grandma Annette and I were desk mates. We not only had the joy of teaching and loving our precious students, but we also shared our personal lives. Her tender heart reached out to others with such ease and grace and she truly understood what it meant to share the mercy of her Lord. She also had a quick wit and a discerning spirit. Very little escaped her attention.*

*It was my distinct privilege to have been loved by such an amazing lady. She knew the reality of heaven, and now our perfect Savior has welcomed her into his perfect home, and she is perfect too.*

*With love and sympathy,  
Sandy Miller*
