“ Aunt Bev, my beloved Aunt and Mother figure,
as well. Thank you for every life lesson you
gave and showed with your grace and
charisma. It will be so lonely without hearing
your angelic voice, but you deserve Heaven,
where love is endless. You were the glue to this family, and all our
lives centered around you and our upbringings. I can never thank
God enough for the blessings you bestowed on so many in your

Words can not even explain how I felt being there when you were called home to glory. Oh, what a blessing it was to be able to call you my big sis. I know that you were truly a child of God. You will be missed and we loved you much. But, God loves you more. Rest in Heavenly peace and I will see you soon.

I'm still standing, though shattered by the loss, my faith makes hope spring eternal as the path I travel leads me also that way, to delight that great day in the joy of the Lord's presence. See you there mom.
