I remembered the good times I shared with her. Back in the day she used to call me up and say, "I cooked bring my grandkids over here". When I arrived we would eat, laugh, sip on wine etc., and she would play her music and would just get up and bust a move. She could dance the night away. Swinging her beautiful blonde hair and grooving to the beat. She was the one who taught me how to 2-step. She was soo funny with her words and we would laugh for hours talking about stuff. We had our ups and downs but the good memories will remain in my heart. God please bless her family and give them comfort at this hurtful time.
