“ I miss Big Ceddy ALREADY...what an AMAZING person and a WONDERFUL athlete he was!! Cedric's smile and warm demeanor could light up ANY room. I was always amazed at how much bigger he was than the rest of us.

Cedric played HEAVYWEIGHT basketball and ran HEAVYWEIGHT track with the rest of the 8th graders when he was just in the 7th grade and was a STAR even back then, breaking all kinds of records. And who can EVER forget his AMAZING performance during his junior year in HS where he ran roughshod over the Richwood Knights breaking their 22-game winning streak in the playoffs in 1986 with 121 yards as the Rockets dominated the Knights defensively and Cedric pretty much became the offense breaking down Richwoods' great defense with his speed and quickness, again, subbing for his fellow PV-teammate since grade school, Michael Shane Walker, who started the game as the TB and started most of the year.

Cedric was TRULY an inspiring person and just a fun person and guy to be around.
May God touch the family and comfort you all during your time of sorrow.

God's Blessings to the Parker family during this time.
RIH, Cedric, RIH.

Have a good summer and weekend, All.
AATB.
