“ *Chawana, I know I did not talk to you a lot. But I remember back in the day when you were a little girl. You were sweet back then too. The last memory I have of you is at your Auntie, Trisha, and my cousin burial service. It was almost over and I was just about to break down after helping everyone else. You stepped to me and gave me a hug. It calmed me! Thank you so much! Just wish I had of told you how much you helped me. Rest in Power baby girl. Never forgotten! Love always! Dena.*
