“ Butter(s), I'm glad I had a chance to see you since it had been so long and that I got to tell you I love you. The moment we locked eyes, we both gave a big smile as usual. The first thing I said was "boi I can see my niece face looking at you. You smiled so hard and told me you wanted to see her.

I was so 💔 when I got the news of your passing, especially knowing what you just went through, that you were tryna get better. May you take your rest cuz, as we called one another. Your loved ones await you, especially your mother. Just when I was getting used to seeing you, just like that... you're gone. Gonna always remember you from the Blue Buildings to the last few times I saw you. You flexin ya new phone but couldn't find your number so I showed....Lol

Rest well, no more pain
I love you Chris
