“ Growing up you taught me so much about life. You were always there, teaching me to always be a better version of myself. You were the true definition of strength. It’s your face I see whenever I hear that word. You will be missed dearly by the ones who loved you the most. Protect and watch over the boys, they need your presence most right now. Watch over my mom. You will forever be her baby sister, her best friend. It was always the two of you for me. I love you with all of my heart and soul Clara, fly high... Until we meet again ❤️
