“ *I will truly miss our conversations at the family reunions. You were a great source of family information. I never met my great Uncle, your Father but talking to you, I felt that I new him. You will be greatly missed by all of your family and friends Bessie Hamilton Great granddaughter of Harriet Ellis-Bowen.*

“ *I am truly grateful and honored to have shared many memories with Clarence over the years. He was a kind and gentle soul. Clarence was family to me and my family. I knew him as respectful, a hard worker, world traveler and God-fearing man. Me and my family were blessed from his curiosity and zest for life. I have been influenced in life by his excitement of enjoying the ride in life. The Clarence I knew always wished everyone a “God Bless You”. He was patient, kind and a good example of a gentleman. We will miss Clarence. I am faithfully aware that he is no longer suffering and I am so appreciative of his light that shined throughout the years.*
