“ *My thoughts and prayers go out to friends and family. As those of us who know Corey we understand that his friends were his family. Corey was a great friend to both my sons (Dan and Nate) during a really dark time. I also recently learned he would often checked on my daughter in law (Calie) when Dan could not be there. For these things I am so grateful. He was always a polite young man when at my home. May you know rest in peace Corey. And please keep an eye on all of us from above. We will see you again one day.*
