“ To all of the Bryant family,
I'm so sorry to hear of David's passing and your loss. You have my deepest sympathies and prayers to help all of you through this very difficult time.

I first met David when we both drove for G&D. What a upbeat guy he was.. He could always put all of us that ran together in a better mood no matter how rough a day we were having... After leaving G&D I hadn't seen him for years until one day while in Morton Walmart I heard someone hollering at me ..turned around to find David standing there with his usual smile on his face.. that was David once a friend always a friend, no matter how long it had been.. long story short we ended up working at Cat together.. what a great person and friend to everyone.. even through his "rough" patches he still smiled and tried to make the people around him smile.. he will be truly missed by everyone who knew him... Keep that big rig running in Heaven, David! God willing, someday maybe all of us will get to convoy in Heaven with you!

“ Bryant Family,
I am so sorry to hear about your loss. David worked with me at G&D Transportation for several years. He was a great worker, but more importantly a great guy.....Always positive and smiling!! He and I always liked to "harass" each other when we had time to do so. Please know you are in my thoughts and prayers in this difficult time.
