There just are no words. None whatsoever to heal the pain of sorrow from losing a loved one. Only time can do this. To the family of Ms. Deidre your love alone comforts Deidre now as it did then. May she now take a bow to this world of trauma and be set free from it. May she always be remembered as the daughter, sister, aunt, friend or unseen but not unknown. From experience I can truly say it will get better by and by. Put time in it.
