SH

“ Idk where to start, you was my first everything. I have so much love for you even after all this time. We just ran into eachother a few weeks ago and talked like we never missed a day apart, I am so greatfull I got to see you one more time. I know your up there taking care of our child we lost. You have literally taken a piece of my heart with you. Till we meet again!!

TH

I'll always enjoy the laughs we had together.
