“ I remember when he came cover to my mom’s house to get a haircut so he can look “Fly” and we laughed and joked about stuff and it would always be funny to hear his stories. Just knowing that he’s gone definitely hurts my heart but, in order to keep the good times alive? I smile and remember your laugh. I smile and know the prayers i prayed for you uncle Meech they did not go unnoticed. I hate that you’re gone this soon until we meet again.

“ We had a conversation and shocked each other. You never knew how much I cared and loved you. I can hear that goofy laugh and you saying see naw it wasn't even like that. Moma told me the last day she was here to just love you where you were and that could help to turn you around. I definitely tried, you can't rewind life or get time back. Now all I have is memories I still say our prayers for you did not go unnoticed GOD heard us and answered in his perfect way. You will never be forgotten.
