Mama I am truly truly going to miss you a lot. Mom you were the best mother I could ever ask for, I wouldn't have traded you for nothing in the world baby. The day I found out you were gone, my whole world just came tumbling down, I felt like I couldn't even breathe, chest was heavy and all I could do was cry. Mama I know your in a better place. God has you and I know he will take care of you. Now all I ask for you to do mama is to save me a spot, so we can laugh and tell each other good funny jokes baby and be together again. Cousin Dorothy, I will never forget all the moments we shared growing up together in the TAFT HOMES! I won't ever forget the conversation we were having about our families and you mentioned your father, and grandmother. It was at that moment I took you through the " are they related to?, and ?". This is when we knew we were blood relatives and the bond grew even stronger! I enjoyed keeping in touch with you even on fb. My heart is still crying but I'm being strong though I know at that final moment it's gonna hit me! You were a very special cousin but also my friend. I'm gonna miss you girl.

You got your wings, now fly with the ANGELS and BUTTERFLIES IN PARADISE CAUSE YOU'RE FREE!!
