Big sis I remember you for being real. You always had the responsibility of being in charge when mom and dad wasn't around. Boy did you exercise that right!! I can't remember you ever saying anything behind anyone's back, but you laid a hurting on them if they over stepped their boundary. You will always have a piece of my heart, I can't believe I'm telling you this, I'm still numb. RIP in the bosom of our Lord Jesus Christ.
