“ To the Waldrop family. Words can not even begin to express the sadness in my heart over the home going of my dear friend, class mate, and Pom Pom team mate "Liz" as family and friends called her. Liz would always organize get togethers at her home when I would come home to visit from Co. or Ga. There are so many memories I wouldn't have room for them all. Rest in peace my friend. Love you and miss you.
