“ My earliest memory of my cousin Sue is one of support, compassion and love. Sue stepped in to help my dad with us the younger children. Teaching me how to keep a close eye on my siblings while Daddy worked. I celebrate your life cousin Sue. Always caring, praying and present are some of your strong characters that I love so much about you. To my family and her friends who love and miss you, Cousin Sue is in our hearts, thoughts and memories forever until we see each other again in Paradise. May The Lord comfort and keep us all in His Loving Grace & Mercy.

Esse Sue Evans will truly be missed, we went to school together and she has had that bright smile from the first day we met. I can honestly say that I have never hear her say an unkind word about anyone. She was a loving person who loved her family, in school you would have thought she and her brother Tyrone Evans were twins because they were very close.

Everyone who knew her for a period of time called her Sue. When I visited her in the hospital, she looked so restful, and peaceful.

You did a good job raising your family, you have the sweetie's daughter any mother could ever ask for. My friend Sue may you continue to RIP. Until we meet again.
