“ *My wife and I are saddened by the death of my uncle. Even though we're saddened we know that this sadness won't last!*

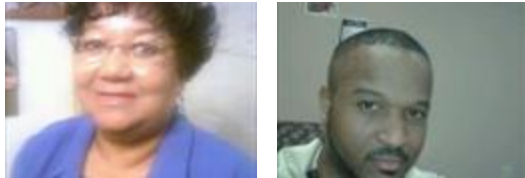

To overcome our pain of heart we remember how our uncle George was a kind and generous man- a gentle giant, if you will. His laughter was very infectious and could brighten up any room.

Even though my wife didn't get the opportunity to meet my uncle, she and I look forward to the resurrection where we'll be able to laugh and joke with all our love ones.
