“ Although I only knew Sonny for a short time, we had some really good conversations and I learned a lot about him in that time. I enjoyed taking care of him and learning some of his favorite things to do and watch. Sonny was a very sweet and outgoing person. Every time I watch “The Temptations” I will think of him and the laughs we shared talking about that movie and other tv shows. May he rest in peace. My condolences go out to the family of Mr. Pittman
