“ I love and I miss you so much dad. I cherish all the times we had whenever we could spend time together. Whether we were playing the game or always outside and playing around with water guns. But I still can't believe you're gone and all I can wish for is to spend another day one last time with you. But I know you're in heaven and I will be able to see you again I love you rest in peace dad. 💕💕💕
