“ *Jacoby was one of my all time favorite students of all time. He always made me smile. He had a tender heart and no one was ever a stranger to him. From time to time we would play checkers and I am not ashamed to say I could never beat him. He would never move his back row! I am deeply saddened by his passing and my thoughts and prayers go out to his family and loved ones.* ”

“ *To all the family and friends of Jacoby my sincere condolences at the loss of this wonderful young man. I only knew Jacoby a short while back in 2014 we worked together at Plaza tire. I was his boss for a short while and he was a very good worker, but way beyond that he was a wonderful individual and made a lasting impression upon me. He went to school with my granddaughter and she thought too he was a special young man. He was polite, very respectful, kind and someone you would want as your friend. We had many talks about many subjects I'm sorry to see a bright and loving young person lose their life a great loss to this world. Only God can comfort your hearts in this tragedy may He strengthen you all in the days to follow. A friend Larry Sheppard Morton IL.*
