“ *RIH Cody, You will be missed. I remember that Cody was at my mothers house and told me that saw a little boy running around in my mothers yard. I didn't see anyone. When we got in the house, Cody saw a picture of my son Lorne on my mothers wall and Cody said that was the little boy that was running around. When he told me that I told him that little had past away 6 years before. I know when Cody was going through the gates, my son met him there. Love you cuz.*
