I searched for her for years. We worked together in Tennessee on the Naval Base. She saw me so much she asked me to work for her, and I wasn't looking for a job. I miss her, but i'm glad I don't have to look any further. God is good, and my search is over, and she's in the best Hands.

Joanie you will be missed at Walmart. That smile . Back in the day that neighborhood was our Village. From Joanie and Ronda house, The Jacksons, The Sanders and many more. You did something best believe they telling . They gonna get you first then tell . I wasn't a trouble child. I was in 5th grade at Roosevelt when we moved on 5th St. The times we had. And when my mom passed Joanie gave me the biggest hug. And said I loved your mom and I love you. You will be missed . The Angels done came and signed your name. Job well done. My Condolences to all The Family 🙏

“ I Will always have great memories of my sister Joanie. We had great fun in the 70s working together at Pepe Taco. Plenty of laughs, and good times. Wish I could have stayed in better contact with her. I treasure the time that we had. She will be greatly missed, and loved forever. She’s in a better place now. Lots of love to all my family.
