But I know you are in heaven with Grandpa& your daughter& so many more loved ones. You will always be in my heart forever,looking down watching over us all. I remember that time you came over,opened the door& said what smells so good. I was cooking. He always loved everything I made,especially sweets,chocolate. You were loving& kind hearted. Heaven has gained an angel. I love you my sweet grandson. Until we meet again... RIP Love always& forever Grandma & Dad

You loved him so much you let him lay there dead for over two hours, took money out of his pocket, cleared his phones, called other people before calling for help for him, etc! You loved what he did for you not him!!!! You are a disgusting piece of flesh!!!! Karma is real!!!!
