“ Kevin was not only a friend and a classmate, but our parents were best friends and his wife, kids, brothers and sisters were family to me. I will miss your smile and laughter that you always had no matter what was or wasn't the way you wanted it to be. You were friendly and talked to anyone who would listen about basketball and your kids and grandchildren! Time has really taught me a lot about respecting others cause you don't know when time is up for you or someone you truly care for.

Peace be unto the family and friends of Kevin (Twin) Jordan! 🏀🏀
