“ My sweet Big Momma will forever be remembered and loved. I remember asking her for her clothes as a little girl because she always dressed so sharp. Many know the story of 'the straw and the safety pin' and Lord knows I will smile and think of you every time I see a safety pin 🧵. I look forward to seeing you again 🙏.

“ My sweet Big Momma will forever be remembered and loved. I'll always remember asking for her clothes as a little girl because she dressed so sharp. Many know the story of 'the straw and the safety pin' and how it was instrumental in building our special bond. Lord knows I will continue to smile and think of you every time I see a safety pin. I love you and look forward to seeing you again.
