“ Beloved,

My sincerest prayers extend to each of you during this time of bereavement. Linda had a heart of genuine passion; and Angel walked amongst us! Her compassion in serving with a smile was a strength gifted from heaven. Kat, each time Linda and I talked, she proudly spoke about you, your beautiful daughters and the many trips you had taken. Johnny, a girlish grin appeared when she stated your name.

Rest in peace our precious Linda, may God strengthen your family in the upcoming days as they all remember and carry you deep in their hearts...for I will always remember and appreciate your loving kindness you shared with me...with each of us!

Love you and will miss you!

“ I want to give my condolences to the Funches family. I worked with Linda at Unity Point (back then it was Methodist Medical Center) in the 1990's. She was a great coworker and friend. Over the years, whenever I ran into her, Linda always had that warm smile and kind words. I will cherish the fond memories I have of her. May God comfort you in this difficult time.
