“ Marlon was at Riverview Community Residence during my years as president of the Peoria Poetry Club. I often had to request his help in arranging the room for our meetings, sometimes just minutes prior to the meeting. He was always eager to help and his great smile warmed the room while he completed the task. I was delighted to learn that he, too, was a poet and he allowed me to share some of his verse with our Club. My impressions was that Marlon Netters was a good man who loved his family. I was proud to be his friend. George Tanner, Past President, Peoria Poetry Club

“ I am writing this on behalf of my mother Carolyn Blake. She and Marlon met when she lived in the CityScape apartments and Marlon was the maintenance man. They continued to share a special bond after my mom moved out. Marlon would keep in touch and would visit my mom no matter where she moved. She would always share with me how happy she was to hear from Marlon. When he called to tell my mom that he was ill, she was saddened by the news. She called me and we prayed about it. When she learned of his passing, she was even sadder. She said, "I'm going to really miss my Marlon!" She, also, understood that for "her" Marlon there is no more suffering. So, on behalf of the family of Carolyn Blake...REST IN HEAVEN MARLON...
