“ Aunt Mary

I will always remember your kind words. I love you so much, and will hold in my memory and heart all the time we were able to spend with one another. Thank you for always being a friend to me. I am so happy I seized the opportunity to see you a few weeks ago before you went home to glory. I can still hear the sound of your soft voice telling me how proud you were of me. I will keep with me your memory and sweet spirit forever, and ever. I will see you again. Until then, please give kisses and hugs to everyone!

Your niece,

Inez
