“ Danny and the entire Wallace and Washington family did we lose one of a kind today? I was shocked and saddened when I read the paper. Penny was always my coffee buddy early mornings and you to Danny! Do you remember when you told me you were her brother and I thought you were kidding me how could I not have known?? You look so much alike and both have that same beautiful smile. I love this picture of her and will always remember her exactly like this. Please know that I am thinking of all of you today and wishing you peace.
