“ To a true friend and more. Even as I struggled with my own life; it was her smile and kindness that we reassure me of God's undying love. From our teen years and our young adult life. Queenie, never changed. God blessed her with a smile and a perfect way to treat people. She didn't judge and never condemned any. I thank God for the privilege to have met her and shared a moment in her life. To her family and friends. Cry because it's right and never forget the gift, called Queen E. Hinton.
