“ I just learned of Robert's passing. My deepest sympathies go out to the Hanson family members especially Jasper and Ricky. I befriended Robert early on during his teaching/coaching career in Peoria 150. We attended many basketball clinics around the state. Jasper and I played sports together at Woodruff High School. The Hanson family always welcomed me in their home. I know Robert had some difficult times but I always hoped and prayed he would find his way to peace. We had some fun times together and I have a lot of respect for the Hanson family. As time passes I hope that Jasper, Ricky and the Hanson family members can find peace and joy in the memories of Robert "Bird" Hanson.
