“ *My condolences to Jerry, Teala, Chris, and the Alexander family. Rosie was a sweet down to heart lady. We had long gone our separate ways since the taft. But when she seen me; Rosie would always give me a hug and ask about how my mom and daughter was doing. She was a sweet soul. No more pain and suffering will she endure, R.I.H Rosie. God Bless....*

“ My first memories of Rosie she was fine as hell, funny and always treated me good. At Irving when I got sick and went to the Hospital Rosie made me a get well card. She put it In my Desk. She loves it when I would tell her family how bad She was, she would just crack up. When she came to California I took her around the Bay Area she had a blast. The one thing Rosie would do is insist that I see her and Roosevelt when I would come to Peoria to visit. Rosie you will be missed by many, but you will always be with us.
