“ *I thank God for this WONDERFUL MOTHER, that He allowed me to be born to.*

Because of my Mom, I Know how to keep going when there appears to be nowhere to go.

Because of her Life, I've learned how to carry and conduct myself like the lady that I am.

Because of my Mom, I know how to believe when believing just doesn't seem believable.

Because of my Mom, I have learned how to grab a hold of LIFE and live it until your most craziest dreams becomes REALITY.

And more than anything . . . She has taught me if it's not working out? don't worry about it.

Here signature was, "I just tell God about it".

I'll shall never ponder over how to conduct myself in the face of life and what it may encompass because I'll remember how I saw, and heard, how it is to be done.

Thank you God for allowing me to experience life lessons 1 on ONE: my MOM and me.

The best "LIFE COACH" ever. . .

♥♥♥ Love you to LIFE Mom your Daughter - Adrel

MS Rosie wss sweet as she could be. She loved the Lord, she loved to talk about him, she loved going to Sunday school and Bible class. I never mined picking her up taking her to church, or wherever she wanted to go. I will miss her so much sitting in front of me, couldn't whisper, and Mrs Hamilton turning around telling her she was talking too loud. My husband and I will miss her dearly, she was always sneaking him candy that he didn't need, when I would go to the choir to sing. I pray for peace and strength for the family. You had a beautiful mom, James & Nice Machinery..

Mrs. Rosie Wallace was very faithful attending Sunday School, Wednesday night Bible Class and Women's Ministry. She watched over the church as well. Anytime she see anything suspicious going on at the church, she would called me and say Mary Chaney, do Deacon Chaney know if anything going on at the church, sometimes it would be I see cars in the parking lot. She would say I call you guys because I don't won't to bother Pastor. She was a very lovable person. I know we all will missed her dearly. AL & Mary Chaney
