To Ruby's family, my thoughts and prayers are with you. I worked with Ruby at F & G from the time she started working there till the very end. We talked about our families, the daily news and what was going on with work. We shared many laughs and some tears. I remember the day she got her drivers license and then when she got her very own car and she was so proud of it. We worked from 2 PM to 11 PM so on our lunch break we would go out and walk around the whole parking lots except in the winter months!! She did have a great smile and we had a lot of laughs. I am so sorry for your loss and we will meet again someday. Nora Ehnle
