“ You are loved and missed more than I could describe, Sean. I hope you're doing amazing up there. I know Heaven just gained a dope rap artist as well as a comedian. I bet you're the life of the party up there. I wish I could still call you but I know you're watching over us all. I know the family is handling everything the best they can and I'm grateful. I wish I could be there to see you off. Rest peacefully. Love, Rubber Legs.
