“ *The Manual Runnin' Rams Track & Field Team, yields to the awesome and mighty acts of God in what he has allowed. Though heaven has gained, we have lost not only a top tier athlete, but an even more awesome, kind, wholesome, and fantastic human being.*

I met Steven when he was a grade school athlete at Lincoln Middle School. He was part of my track team then, and when he graduated he was one of a very select group of Team Captains at Manual. He was more than worthy of all the accolades that can be given to him.

As I told him while living..."Love you young man!" we say it again. Steven was loved by us and his memory will never be bypassed as long as I am coach. Our throws team has a new name. It is the "Steven Smith Throws Group"...Noone will be able to participate on that team but our most serious and dedicated throwers and men who can follow the legacy of work and dedication that Steven put forth.

Thank you family for sharing this outstanding young man with us.
