“ Sending deepest condolences to Sue's family! I'm missing her so very much & I know you are too. She loved her family so much & she was loved by so many. Although we were friends since 7th grade, She & I called each other sisters.. she always called me Cathy Jo, she could get away with it. 😊 She fought a good fight & I believe God knew she was tired & wanted her to rest with her other loved ones, whom she missed so much too. I can go on & on, but God knows best! I love you Sue! RIP! 🙏❤️
