“ *Terravis was a man who never counted favors he has done for others. But he counted extended family. We grew up through New Hope international ministries. We became brothers when I lost my mom and you lost your dad. To get over those moments you and Kenny would stay at my house on every other weekends and Cellus, Anthony and I would be at your house and play Madden all day. Love you T. I know my parents Devon Manson and Aunt Vanessa and uncle Kenny are dancing with you. Lael (Hebrew for he is with God). Terravis Lael Ward*

“ *To Kenny, Kennessa and the friends and loved ones, I express sincere condolences. Terravis was always a solid genuine person. He and Shaka were two of the first people I met when I transferred to Thomas Jefferson in the 2nd or 3rd grade. Spent many days playing spades at their home and enjoyed many football dinners at their home as well. Rest up old friend.*

“ Dad, thank you for being a great man not only to your children but to everyone you came in contact with. They either loved or hated you and you didn't care if they did either. I will always remember you and what you taught me throughout our 25years together. I always felt safe with you, you were the strongest man in the world Dad. I love you & I know you're at peace but I'm not. Continue resting and getting loved on by your parents and grandparents.

Love,

Your Werra Bear 🐻❤️☐
