“ Sitting here, this still does not seem real. I'm going to truly miss Uncle Willie. My heart is heavy, but God is in control..Never a time when you didn't see him and Aunt Jeanette coming in the door, regardless of what was taking place. He always shared his words and many conversations with family members and always tried to inject the positive. To my Aunt Jeanette and my cousins, I am praying for you all, as well as our family in whole. God will see us through! Love you
